Visit of Local Inspection Committee from University of Pune

Inside this issue:

- Inaugural Function
- Assembly
- Microteaching
- Students Council
- Teaching Aids Work-
- Teachers Day

On 24th September LIC committee visited our college for inspection. LIC members inspected the whole college and appreciated the quality of work done in the college. They liked the methods of teaching used by the teachers. The chairperson of the LIC Dr. Lalita Vartak (Principal, Adarsh College of Education, Pune) also invited Dr. Asawari Bhawe (Principal) for conducting workshop in their college on constructivism. Thus for the same Dr. Asawari and Ms. Priya Singh will be conducting the workshop at Adarsh College on 1st October .

INAUGURATION!

The academic year 2013–14 commenced on 14th August 2013.

Programme started with lighting of the lamp by Principal Dr. Asawari Bhawe—Gudipudi., the Guest of Honour Dr. Sulbha Deshpande, and Chief Guest Dr. Poornima Kadam.

Students were given a brief introduction about the activities conducted by the college through a presentation. Staff of the college introduced themselves and then students were oriented about the course.

Assembly

First Assembly for academic year was held on 27th August where enthusiast students participated and discussed on the theme " Female Feticide and Female Atrocities ". Power point presentation , group discussion and street play on the above topic were organized to enlighten the students. Prin. Dr. Asawari Bhawe and Professors shared their views on the topic.

It was indeed a heart touching and learning experience for all of us.

Teacher's day for academic year was celebrated on 7th of September 2013. Students organized a very interesting programme, in which they presented with speeches on Tripathi Sir and importance of teacher's day. Students felicitated the Principal with a very beautiful handmade paper bouquet and a card. They also presented all teachers with a card. Students organized games for teachers. Tripathi Sir address to students to work hard and be a teacher who is ready to give all knowledge to students.

This year Micro teaching started with the demonstration given by all the professors in a different way. Every teacher gave demonstration on their respective subjects to enable students to get familiarized with various skills involved in micro skills. Students observed lessons then prepared their own lessons and conduct it.

Students council

In order to enable the students to understand fellow students and to communicate in a way that would be suitable to people of their age bracket it is convenient to form a student council. In the council the students share their ideas, interests, and concerns with teachers, Principal and classmates. It is a great way to find and develop the potentials of student leaders. Students council was formed and student representatives took oath for fulfilling their duties with full sincerity. Students were given various departments, for which they will work.

Teaching aids workshop

Teaching aids workshop for students was organized on 23rd & 24th September. Resource persons from M.S.C.E.R.T conducted this workshop. Students learned to make magic folder, flower, 3D teaching aids, diamond etc. All these aids would be useful for students to
